**3. *Informational Hearing on the Australian Ballot Questions that Appear on the Official 2024 Town Meeting Day Warning***

Town moderator Dan Manz said the purpose of this hearing is to give the public an opportunity to ask questions about the town meeting day Australian ballot articles. Articles 1 through 5, which will be handled on the floor, and Article 6 (election of town officers and school board directors) will not be covered at this hearing.

Dan Manz read Articles 7 through 13 one at a time and asked if there were questions on each one. No one had questions. Dan Manz said another opportunity for discussion and questions on Articles 7 through 13 will be provided at town meeting.

Dan Steinbauer said this hearing was warned to last until 6:30. Brad noted that was shown as a tentative adjournment time. He suggested waiting until 6:15 and Dan Steinbauer agreed.

There was a question about the upcoming Underhill Center Active Transportation Scoping Study. Dan read information about the meeting. The scoping study is looking at options to make walking and biking through Underhill Center safer and more comfortable for all ages and abilities. The meeting on March 14 at the Underhill Town Hall will be the first public meeting where what has been learned so far will be shared and the community can provide input and insights. There will be an open house starting at 6:00 and a presentation at 6:30.

**4. *Adjourn (8:03)***

**Dan moved to adjourn, Bob seconded and the motion was passed at 6:15.**
