

2022
LIST OF PROPERTY
APPRAISALS

THIS IS YOUR OFFICIAL CHANGE OF APPRAISAL NOTIFICATION

Underhill has just completed a town wide reappraisal, conducted by Vermont Appraisal Company, of all real property effective April 1, 2022. Vermont statutes require the town to appraise all taxable property in the town at fair market value so each property owner will pay their fair share of town and school expenses. The attached listing indicates your property value as a result of the reappraisal.

If you are enrolled in the Current Use program, a Town Contract or have a Veteran's Exemption, those reductions are NOT included in the value listed here. You will receive a separate letter informing you of the effect that the CU program or town contract will have on your tax burden.

Tax Burden Comparison: The ratio in the last column represents your level of appraisal to the 2021 grand list. The average level of appraisal was 73%. If your ratio is 73%, then your value equates to the old value on the 2021 Grand List. If the ratio is higher than 73%, then your tax burden should be less than last year. If lower than 73%, then you can expect a higher tax burden than last year.

Judging the fairness of your new value – As a taxpayer, you should be concerned with the fairness of your new value. We have sought to make this reappraisal fair, reasonable and equitable. If there are errors, we want to correct them. Please look at your new value and ask these questions: (1) Is the new value a fair and reasonable value at today's fair market value? (2) Does your new value compare to the new values of other properties that are similar in characteristics and location? If your answer to either of those questions is "NO", you may want to consider appealing your new value.

The Vermont Statutes state that a person who feels aggrieved by the action of the assessors and desires to be heard by them, shall, on or before the day of the grievance meeting, file with them his or her objections in writing and may appear at such grievance meeting in person or by his or her agents or attorneys. Upon the hearing of such grievance, the parties may submit such documentary or sworn evidence as shall be pertinent thereto.

The Grievance Process – Grievance hearings will be held at the Underhill Town Hall starting Monday June 27th, 2022. All Grievance Hearings will be by appointment only. Please call the Assessor's office at 802-899-4434 ext. 104 OR email abosley@underhillvt.gov **before June 24th at 3pm** to schedule your appointment. All grievances must be presented in writing. If you cannot appear in person, you may file your grievance by letter only by June 27th.

The Underhill Assessor and Vermont Appraisal Company would like to thank everyone for their cooperation during this reappraisal.

— Amanda Bosley & Thomas Vickery
