

**Underhill Energy Committee**  
**12/12/2012 6:50 – 8:12 PM**  
**Jerry, Chris, Bob, Tom, SDW, Peter D**  
**Minutes**

- VECAN Recap
  - Bob & Steve shared overview of the Vermont Community Energy and Climate Action Conference
- Vermont Home Energy Challenge
  - Challenge to towns to weatherize 3% of the homes in town
  - Through Nov, 2013
  - Ideas:
    - Free blower tests
    - Home energy visits
    - Free energy kit & \$150 coupon to subsidize cost of audit
  - Kick off meeting in January (18<sup>th</sup> ?)
  - Training workshop
- Post Office work party
  - Reviewed audit findings w/ Selectboard
    - Suggested getting quote on French drain
    - Possibility of expanding sump
    - Recommend taking trees down
    - Deal with 16" duct
    - Spray foam foundation wall
    - Free disposal
  - Pull out old insulation and address moisture problems
    - Bob & Jerry will remove insulation
    - Tom will talk to a potential installer of French drain to get a quote
- Bike Path- Further discussion? Move forward?
  - Committee agreed to continue to discuss and advocate for bike path
  - Invite Mike Weisel (sp?) to a future Energy Committee meeting
  - Peter suggested that we recommend a town transportation committee
- Conflict of interest statement
  - All committee members must sign
- Other Business
  - Recommend establishing subcommittees to focus on projects
- Not discussed:
  - Passive House Visit
  - Town garage—electricity usage
  - Town Hall Air Conditioning proposal
  - Rideshare-Peter
