**ANSWER TO AMENDED COMPLAINT**

NOW COMES Carol and Carl Menard, pro se, and hereby answer as follows:

1. In response to counts alleged in paragraphs: "1" through "21" Defendant does not have enough information to either admit or deny the claims.
2. In response to Count II paragraph 22: Defendant asserts that Plaintiff does not seek a reasonable and convenient access, but rather seeks to use a trail that may pass over Defendant's land for logging agricultural business purposes outside the scope of "reasonable and convenient access". Furthermore, Defendant asserts that Plaintiff has failed to produce any evidence that Plaintiff cannot at a reasonable cost on his own estate without trespassing on land of others create a substitute access.
