Review of Energy Committee Mission Statement

The Energy Committee was created in 2008 by the Underhill Selectboard to accomplish the following:

- To study, and thereby make recommendations which reduce energy consumption in all Town assets, building, equipment etc.
- To provide public forum/education for Underhill Citizenry to reduce energy consumption in their homes/buildings/motorized equipment/lifestyles.
- To seek Grants, and engage in fundraising to support the activities of the Energy Committee.
- To be available to study/implement any related energy projects so designated by Selectboard.
