7PM The meeting was held outside the Town Hall. Luana presented a preliminary report compiled from all the member's suggestions. Editing was done by all the members and Luana and Lea will try to redo the report in the format that Mike Weisel used of What We Know, What We Do Not Know But Would Like Too, and Recommendations.

Dan Close talked with Diana Peluzzi, former manager Act 250 for Lamoille and Franklin Counties for Gravel Pits. She would be willing to consult with the Town concerning the town running a Municipal Gravel Pit. She said that all of the towns that she is aware of are very happy to have their own pit.

The committee will convene in 2 weeks to work on a final report.
