

Gravel Pit Task Force Minutes September 1, 2011 7PM

Members present: Dan Close, Seth Friedman, Luana Nedich, David Rogers, Lea VanWinkle and Mike Weisel

Member Absent: Michel Morin

The meeting was held outside the Town Hall and later reconvened at Lea's office when it became dark and there was no access to the Town Hall.

Luana had revised report for editing. Editing was done by all the members present. Luana will assemble the report with the committee's recommendations.

Seth will add a Win, Win, Win section at the end of the report.

Members were reminded again that any member can submit an individual report to the Selectboard if they feel their concerns are not fully addressed in the Official Report of the Task Force.

Luana will e-mail the revised report to everyone and we will meet to finalize the report.
