

Schoolhouse Task Force

Minutes of Meeting

January 22, 2014

Present: Pete Czaja, Roger Frey, Carla Hochschild, Susan Thomas

Task Force Report for Town Annual Report

The final version of the Task Force report for the town Annual Report was distributed and approved.

Town Meeting Presence

There was a discussion of the purpose of the Task Force presence at town meeting: to raise awareness of the schoolhouse, its history and condition. Carla and Susan have selected photos for the display. Tim Durbrow will reproduce them, and Carla will mount them. Any survey distributed should be short – five or six questions – and should state that the schoolhouse is a town-owned asset. There was a discussion about whether there is a need for a survey at all at this point. A decision was made to forgo the survey and instead to prepare a handout which would be essentially the Annual Report statement with questions on the back that will raise awareness and convey information about the schoolhouse. Members will contribute questions which will be discussed at the next meeting.

Options/Scenarios for the Schoolhouse

There was further discussion of schoolhouse scenarios outlined in previous meetings and how to proceed with a detailed development of those options. This will continue at the next meeting.

Next Meeting

The next meeting will be at 6:30 pm on Wed., February 5, 2014, at the Town Hall.
