Task Force Report for Town Annual Report

More editing was done on the Task Force statement for the Town Annual Report. The group decided to include two photos with the report – a historic one and a current one.

Town Meeting Presence

The Task Force display at town meeting was discussed. Pete will request a table in the entrance hallway. There will be a photo display board, a schoolhouse survey, and a handout or brochure about the schoolhouse. Susan will ask Tim Durbrow about reproducing the photos, and Carla and Susan will meet with him to select them from the binders at Town Hall. Susan will ask at the Historical Society meeting about their plans for town meeting day.

Next Steps

The survey and brochure/handout will be addressed at the next meeting.

Next Meeting

The next meeting will be at 6:30 on Wed., January 22, 2014, at the Town Hall.
