

Schoolhouse Task Force

Minutes of Meeting

May 28, 2014

Present: Pete Czaja, Roger Frey, Carla Hochschild, Susan Thomas

Summer Use of Schoolhouse

Pete reported on his meeting with the selectboard. They approved installing portalets at the Schoolhouse from July through September. The Underhill Historical Society will pay for one month, and the town will pay for three months. Town insurance covers only official town groups using the Schoolhouse, so it doesn't cover the Historical Society. The Historical Society needs to obtain insurance for the materials it has stored at the Schoolhouse.

There was a discussion about the kinds of events the task force could hold at the Schoolhouse this summer to promote its use. The Historical Society is holding a blueberry social in July. Other possibilities include potlucks, sales, and speakers.

History of the Schoolhouse

The task force needs to work on a history of the schoolhouse, both for including in its report and also to provide to the public at Schoolhouse events. The group will devote its next meeting to going through the historical material at the Town Hall.

Next Meeting

The next meeting will be at 6:30 pm on Wed., June 11, 2014, at the Town Hall.
