

Schoolhouse Task Force

Minutes of Meeting

July 9, 2014

Present: Pete Czaja, Roger Frey, Carla Hochschild, Susan Thomas

Schoolhouse Summer Events

The meeting was held at the Old Schoolhouse. Most of the meeting was devoted to discussing possible events that could be held at the Schoolhouse this summer for the purpose of raising awareness of and interest in the building. The portable toilet is in place through September. The Task Force could hold events or coordinate with the Historical Society. The Historical Society has moved most of its materials to the Schoolhouse. Possible events include another bus tour, talks, an open house, a potluck, a community garage sale.

The group decided to have a presence at the Historical Society's Blueberry Social on July 27 and to plan a potluck for later in the summer. We will try to have a short history of the Schoolhouse, old photos, possibly a short survey, and information about the Task Force available for these events. Pete will work on compiling a history, Roger will work on a short survey, and Carla will coordinate the potluck, tentatively proposed for the Saturday after Labor Day.

Next Meeting

The next meeting will be at 6:30 pm on Wed., July 23, 2014, at the Old Schoolhouse.
