

Underhill Trails Committee
Underhill Town Hall
Sept. 17, 2013

Members present: Howie McRae, Karen McKnight, Natalie Coughlin, Pat Lamphere, Nancy McRae.

Minutes of the April 16, 2013, meeting were approved as written.

Discussed working with the environmental class at BRMS to pull invasive plants on the town property. High school students have to do community service, so we could invite them to come also. Boy scouts could perhaps do some of the water crossings. Could the MMU shop class or boy scouts make signs for the trail?

We need to contact the select board to get permission to work on the trail. Nancy will write a letter describing our plans to involve students and scouts and will circulate a rough draft.

Karen spoke informally with someone from the Jericho Trails Committee and they would like to get together with us sometime. Could we invite them to a meeting?

The meeting adjourned at 7:55 PM.

Respectfully submitted,

Nancy S. McRae
