List of Posted Roads for Mud Season 2023
Effective February 15, 2023

The Legislature has authorized the Selectboard and District Transportation Administrations to post seasonal restrictions on certain town roads and state highways during periods that make the highway systems especially susceptible to damage (ex: winter thaws, rainy periods, or when the frost is coming out). During this time, no load in excess of the posting is permitted, no new permits can be issued, and blanket permits are suspended.

Below is a list of all town roads in the Town of Underhill that have been posted effective February 15, 2023. If there are town roads, not listed below, that are accessed from a road listed below, that road shall also be considered posted. The expected end date is May 15, 2023, subject to change as conditions permit.

TH 40	Beartown Road
TH 5	Bill Cook Road
