NOTICE OF AVAILABILITY
DRAFT PROGRAMMATIC ENVIRONMENTAL
ASSESSMENT

The Vermont Army National Guard (VTARNG) has completed a draft Programmatic Environmental Assessment (PEA) for a variety of range and cantonment area construction projects.

These projects are necessary to provide and improve realistic training opportunities and skill proficiency training to meet Army standards and mission requirements. Because of uncertainties with regard to funding and implementation of any one project, the PEA analyzes the implementation of all of these projects over the next five years (Preferred alternative) as well as the No Action Alternative. The purpose of the PEA is to provide a framework to address potential impacts associated with the implementation of various range initiatives.

The draft document is available from November 1, 2005 through November 30, 2005 for review at the following locations:

Jericho Town Library, Jericho Center Circle, Jericho, VT. 802-899-4686

Deborah Rawson Memorial Library, 8 River Rd, Jericho, VT. 802-899-4926

Vermont State Library, 109 State St. Montpelier, VT 05602. 802-828-3261.

Bailey/Howe Library, University of Vermont, Burlington, VT 05403. 802-656-2022.

Environmental Office, Vermont National Guard, Building 5, Camp Johnson, Colchester, VT. Monday through Friday, 7:30am-4:00pm.

Written substantive comments received on or before November 30, 2005 will be addressed. Send comments to Vermont Army National Guard, Environmental Office, Building 5, 789 National Guard Rd., Colchester, VT 05446.

Additional information may be obtained through Mike O'Hara by calling (802) 338-3316 or writing to Environmental Office at the address listed above.
