6:40 PM: Underhill 250

Kari distributed a memo from Bill Wilson asking that PC become involved in the celebration and offering to meet with us to discuss how best to do that. He included an article about a meeting in Hinesburg that might serve as a model.

6:45 PM: Zoning changes/Town Meeting

Debate about whether and how to respond to inaccuracies in letter to the Mountain Gazette opposing zoning changes.

Discussion of other ways to better inform the public: Front Porch Forum, comments at Town Meeting.

7:22 PM: Redistricting: Next Steps

Members present agreed to invite SB to meet with PC so Brad can explain what he feels needs to be done about adjusting boundaries, and give us an approximate timeline for doing it.

7:36 PM: Sidewalks: Next Steps

Kari reported that RSG feasibility study was over budget. What are implications for us? Corey Mack (RSG) wants to send the study to VTrans for review.

Discussion of surface options. Strong support for concrete was expressed at hearing, but PC members present prefer asphalt, both for lower cost and wheeled vehicle friendliness. It was agreed that further research should be done. Kari will get information from Stowe about their experience with the asphalt recreation path. Williston and Jericho can also be consulted.
