RE: Carter Two Lot Subdivision; Parcel #HB039

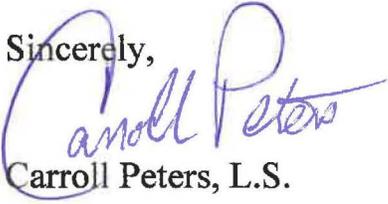

Dear Andrew:

Enclosed are two full scale copies and twelve reductions of the subdivision survey for the DRB hearing; a Project Description narrative is also enclosed.

Please note the Waiver Request for the frontage of Lot 1B; a section of the woods road "Frontage Road" is shown on the survey that well exceeds the minimum frontage requirement.

If you have any questions please do not hesitate to contact the Carters or me. Thank you in advance.

Sincerely,

Carroll Peters, L.S.
