

## **UNDERHILL DEVELOPMENT REVIEW BOARD**

**CONDITIONAL USE REVIEW  
HEARING PROCEDURES  
Monday, August 19, 2019**

**Applicant(s):** Peter Duval  
**Docket #:** DRB-17-16(2)

State the following:

1. This is a court ordered conditional use review hearing on the application of Peter Duval pertaining to the conversion of a single-family dwelling to a multi-family dwelling on the land he owns at 25 Pine Ridge Road (PR025) in Underhill, Vermont. As ordered by the court, the project is remanded "back to the [Development Review Board] for further review of the wastewater system design as it relates to conditional use standards."

Conditional use review is intended to ensure compliance with standards addressing the potential impacts of development on adjoining properties, the neighborhood, and/or zoning district in which the development is located, and the community at large. Typically, land uses are subject to conditional use review because their scale, intensity and potential for off-site impacts warrant more careful scrutiny by the Development Review Board (DRB). Standards and conditions to be imposed relate to the identification, avoidance and/or mitigation of potential impacts.

2. Copies of the Rules of Procedure that the Board follows are available for review at the front counter, and can be obtained from the Planning & Zoning Administrator.
3. The order of speakers tonight will be:
  - a. We will hear from, and ask questions of, the applicant(s) and his or her representative(s);
  - b. Then we will hear and ask questions of the Planning & Zoning Administrator;
  - c. Then we will give other persons in the room a chance to speak. Under our Rules of Procedure, each speaker is limited to five minutes; however, that time can be extended upon request to the Board and majority consent of the Board; then
  - d. The applicant(s) and/or their representative(s) will have an opportunity to respond; then;
  - e. Final comments will be solicited from all parties.

All speakers should address their comments to the Board, not to other parties present at the hearing. Board Members may feel free to ask questions of any speaker.

4. Are any state or municipal representatives present, and acting in their representative capacities?
5. An Interested Parties Info Sheet is available to all attendees at the front counter or from the Planning & Zoning Administrator. Please review it for further information.

***Then state:***

Only those interested persons who have participated, either orally or through written statements in a DRB proceeding may appeal a decision rendered in that proceeding to the Environmental Division of Superior Court.
