

**Schoolhouse Task Force**  
Minutes of Meeting  
October 8, 2014

**Present:** Pete Czaja, Roger Frey, Carla Hochschild, Susan Thomas

**Guests:** Laure Torkler, Jean-Marie Rabot

**Public Comment**

The Task Force gave a brief summary of our work to Laure and Jean-Marie, who have been looking for a site in the Jericho-Underhill area suitable for a bakery or commercial kitchen. They wanted to inquire if the Schoolhouse might be a possibility. The group discussed the limitations of the site, primarily the lack of water or septic and the unlikelihood that that situation will change in the near future, the fact that the building is town-owned, and the expense of making the building suitable for regular use. It was generally agreed it would not be suitable for their purposes.

**Report to Selectboard**

Pete presented his outline of the progress report for the Selectboard and the work he has already done, including an estimate for exterior repairs. Sections of the report were assigned to different members. The report needs to be finished soon, so members will coordinate their work via email before the next meeting.

**Minutes:** Minutes of September 3 meeting were approved.

**Next Meeting:** The next meeting will be at 6:30 pm on Wed., October 22, 2014, at the Town Hall.
