

Schoolhouse Task Force

Minutes of Meeting

November 19, 2013

Present: Pete Czaja, Carla Hochschild, Roger Frey, Susan Thomas

Options for Schoolhouse

Roger distributed his list summarizing the previously discussed options for the schoolhouse: preserving the status quo, maintaining the building in a more regular way, maintaining and preserving the building historically, moving the building, and selling the building.

Schoolhouse Maintenance and Repairs

Pete distributed copies of photos he had taken of the schoolhouse and a detailed worksheet listing potential exterior and interior maintenance and repair items. Is there any money in the town budget for some maintenance and repairs?

Uses for the Building

Potential uses for the building were discussed, including community activities and home for the historical society. The task force needs to get community input. Should a survey be prepared for town meeting? It's important to have regular on-site activity and hold events at the building.

Assignments

Think about possible survey questions. Think about a task force report in the town Annual Report and presence at town meeting. Roger will follow up on insurance questions. Pete will work up estimate for various repairs and talk with Sherri about town meeting. Carla will research survey writing.

Agenda for Next Meeting

Pete will write the agenda, including the above items and focusing on organizing for town meeting day and the town Annual Report.

Next Meeting

Next meeting will be at 6:30 on December 3, 2013, at the Town Hall.
