

## **Schoolhouse Task Force**

Minutes of Meeting

February 12, 2014

**Present:** Pete Czaja, Roger Frey, Carla Hochschild, Greg Leech, Susan Thomas

### **Town Meeting Presence**

The group discussed the “did you knows” for the town meeting handout. Pete will edit, and they will be finalized at the next meeting. Since the last meeting was cancelled because of snow and town meeting is fast approaching, it was decided to meet again in one week. The question of how Tim Durbrow would be paid for the photos he reproduced for the display was raised. Pete will talk to Brian. Carla will obtain a display board and mount the photos.

### **Options/Scenarios for the Schoolhouse**

Discussion continued of the outline Pete developed for the various scenarios for the schoolhouse and how to best organize the information. The group decided to proceed with scheduling a condition assessment offered by the Preservation Trust of Vermont. The assessment costs \$500, of which half would be paid for by a grant from the Trust. Susan will follow up with them.

### **Task Force Expenses**

The question arose of how expenses the task force might incur would be paid for. In addition to the photos and the assessment, there will likely be estimates and consulting that will need to be paid for. Does the task force have any authority to hire consultants, and what is the procedure? Pete will talk with the selectboard.

### **Next Meeting**

The next meeting will be at 6:30 pm on Wed., February 19, 2014, at the Town Hall.
