8:34 PM: Mapping Issue

David presented revised questions for the Town attorney, to serve as the basis for PC conversation with him on 9/19. He also presented town maps from 1983 and 1985. On the latter, computerized version, many zoning district lines were redrawn as straight lines.

Discussion centered on the absence of proof that either map was attached to the 2011 zoning regulations approved by the voters. David agreed to look again at Town archives to seek such proof.

8:45 PM: Adjournment

On a motion by Dick, seconded by Pat, the meeting was adjourned.
