List of Posted Roads For Mud Season 2019

The Legislature has authorized Selectboards and District Transportation Administrations to post seasonal restrictions on certain town roads and state highways during periods that make the highway systems especially susceptible to damage (ex: winter thaws, rainy periods, or when the frost is coming out). During this time, no load in excess of the posting is permitted, no new permits can be issued, and blanket permits are suspended.

Below is a list of all roads in the Town of Underhill that have been posted as of March 1, 2019. The *anticipated* end date is May 15, 2019.
