

Underhill Trails Committee
Underhill Town Hall
April 16, 2013

Members present: Carol Butler, Howie McRae, Karen McKnight, Natalie Coughlin,
Nancy McRae.

Guest: Brad Holden

Minutes of the March 26, 2012, meeting were approved as written.

Brad attended to discuss the litigation that arose from the Development Review Board's approval of our trail project. We were to have gone to trial on April 17th, but last Friday received an offer from Mr. Roy, the appellant's attorney, to settle. However, his stipulations were not something the town could agree to, so the Trails Committee withdrew their application per the attached letter.

The Supreme Court is scheduled to hear the New Road/Crane Brook trail case that prompted the above legal action in May.

The Trails Committee decided to review the entire project prior to submitting a new application.

Nancy will submit Howie's brief article on the Trails Handbook to Dawna for the Select Board's approval. We could ask the Mt. Gazette to put it in a black box so it will stand out. Permission to also post on the Underhill Front Porch Forum will be requested.

The committee will walk the existing trail to assess maintenance needs after Nancy and Howie return on May 7th.

The meeting adjourned at 8:00 PM.

Respectfully submitted,

Nancy S. McRae
