Energy Committee  
6:30 pm  
11 April 2012  
Underhill Town Hall Kitchen

Call to order by Steve Webster

Attending: Steve Webster, Jerry Adams, Chris Miller, Chuck Weger, Tom Moore, Bob Murphy

Guests: Dan Conant-SunCommon, Peter Bennett-Vermont Energy Co-op

- SunCommon
  - Dan Conant , SunCommon-Solar Community Organizer, briefly discussed SunCommon's program.
- Vermont Energy Co-op
  - Peter Bennett, Co-op Board Member and Underhill resident, gave us a quick overview of their new solar hot water program.
- Solar Resolution Discussion
  - Dan asked us to consider having the Selectboard adopt a solar energy resolution similar to Waterbury and Richmond.
  - Dan to provide a sample resolution.
  - Discussion of what the goal should be. 28- 30 homes?
  - Bob to see if he can provide the number of homes in Underhill that already have a solar system.
  - A motion was made to ask the Selectboard to endorse and adopt a solar energy resolution. (Chuck/Chris) Unanimous
  - Steve to follow up with Selectboard
- Kill A Watt Meters
  - Jerry found out that the Deborah Rawson Library has two Watts Up meters.
  - Make a display for Library and Town office?
  - Bob showed Efficiency Vermont sign
  - Chris to follow up
- Adjournment- Motion (Chris,Chuck) Unanimous 8:08
